We Extend A Cordial Invitation - - -

To all lovers of Shorthorns we extend a cordial invitation to be with us at our first sale which will be held at the farm on May 16, 1949. This is an event that we have looked forward to for a period of ten years and have consistently worked to make this grand offering available to the buying public. It is with pleasure that we now extend to all of our many good friends an invitation to be with us on May 16.

We want you to study this sale catalog and notice the many well bred individuals we are offering. We are featuring the get and service of our senior herd bull Sni-A-Bar Superb Mercury which has become known as the "Eastern Stock Bull." Two sons and seven daughters of this grand breeding bull will be included in the sale. Also the majority of the bred cows and heifers are carrying his service as well as calves at foot of their dams by him. Sni-A-Bar Superb Mercury was the reserve champion at the 1944 International Congress Show and Sale and during the past three years has sired all of the champion bulls and females at the Virginia-West Virginia Show and Sale at Staunton, Virginia.

Every animal in the sale is in healthy, prolific condition and our herd is Federally Accredited for both T. B. and Bang's Disease. Cows included in this sale are excellent producing individuals with which we hate to part. However, to make up the necessary numbers for a sale we find it necessary to do so.

Our realization of more Shorthorn activity in the East is rapidly becoming a fact. It is hoped that this sale will create further interest and will be of great assistance in distributing better seed stock throughout the Eastern states. This sale follows the Winchester, Virginia, Polled Shorthorn Sale which is held on May 14. It is an easy drive from Winchester to the Kavanaugh Hotel in Harrisonburg, which is sale headquarters. It is hoped that as many as possible will plan to stay at the hotel the night previous to our sale for a **real get-together**. Transportation will be available from the hotel to the farm on Sunday, May 15, and Monday, May 16.

MR. & MRS. JOHN L. TURNER,

Broadway, Virginia.

WILLOMOR PRINCESS A and **WILLOMOR SUPERB MERCURY 2nd**, champion female and champion bull at the 1947 Virginia State Sale by Sni-A-Bar Superb Mercury. Edwin Turner at the halter. Sni-A-Bar Superb Mercury has sired all of the champions at this event during the last three years.

It is through constructive breeding programs that Shorthorns of the calibre of the ones pictured on these two pages are produced. Note the uniformity, good heads, bone and ruggedness. The blood of these excellent individuals will be in attendance in this sale. The demand for right type and right quality Shorthorns has far exceeded the supply during the past five years. We sincerely believe this sale affords one of the best opportunities in the East for buyers to purchase select foundation stock. The market has been good for commercial cattle and the time has never been better to lay in select breeding stock. Remember—this sale contains 43 grand individuals that represent popular bloodlines of U. S., Canadian and Scotch breeding.

The cattle in this sale were sired by such famous bulls as Mercury's Marshal, Sni-A-Bar Superb Mercury, Edellyn Revere Mercury, Count Mercury, Mandate Sensation, Maxwalton Harvester, Commander's Count, Aberfeldy Coronet, Glenburn Grand Marshal, Maxwalton Mintmaster, Anoka Air Clipper, Killearn Max 104th, Proud Knight, Newallyn Legion, Elkhorn Hero and Edellyn Royal Favorite.
